NOT ALLOWED IN PMC

- ✗ Packaging with child-resistant fastenings
- ✗ Packaging featuring one of these pictograms:
- ✗ Motor oil and lubricant packaging, pesticides, fuels, glue, paints and varnishes, silicone tubes
- ✗ Bottles > 8 litres
- ✗ Polystyrene
- ✗ Packaging made of a combination of materials (e.g. plastic film layer + aluminium film layer) which cannot be separated, like some juice pouches, fruit purée or wet pet food pouches etc.
- ✗ Other items

ATTENTION!

- Do not put items inside one another or put filled, tied up bags into the PMD bag.
- Do not hang anything on the outside of the bag.

Advice for good recycling

- Drain and empty all packaging properly.
- Flatten plastic bottles, replace the cap.
- Remove the plastic film from the tray and discard them separately in the bag.
- Remove the plastic films that cover the entire bottles and dispose it separately in the blue bag.

Recycle the glass

Into the collection containers or to the recycling centre
